

# 2011 Presidential Hospitality Suite

## French Lick Resort

The North Central Dental Society is pleased to offer to our many sponsors the opportunity for a special marketing opportunity to Indiana Dental Association members. This year Dr. Marty Szakaly, a North Central member, is the IDA president and our component is hosting the Presidential Hospitality Suite. We are inviting dental sponsors to be part of the celebration.

For a fee of \$1000 your company is invited to send a representative to our hospitality suite during the three days it is open to the IDA members. You may prepare give-a-ways of products or specials to our members or even act as the bartender if you wish. For your contribution you will receive:

- Access to suite Wednesday evening, Thursday and Friday afternoon.
- Publicity in IDA Journal as a sponsor.
- Publicity in Hoosier Dentist magazine as a sponsor.
- Mailed invitation to all IDA members identifying your sponsorship.
- Invitation given to all delegates identifying your sponsorship.
- Signage at Annual Session identifying your sponsorship.

If your company is interested please return the bottom portion of this form with your check. We are limiting the number of sponsors so do not delay and lose this opportunity. Dr. Gordon Christensen's lectures and the exciting and new venue of French Lick is expected to make this a very popular and well attended annual session.
